

## **Operational Area Activities:**

### **Inland Region –**

Inland Region Operational Areas (OA) and Inland Duty Officer continue to monitor the cold weather for impacts. One OA, San Joaquin County, activated at a Level 1 at 0700 on 12/5/13 as a precaution. Inland Region OAs have not reported any damage or issues that involve the agricultural industry such as crops, livestock or poultry. Various senior centers, community centers, faith based groups and churches across the region have opened their doors as warming centers for the homeless and those seeking warmth..

Specific OA activities are listed below:

- EOCs Activated:

- San Joaquin - have daily conference calls with Board of Supervisors, County CAO and stakeholders
- Tulare County, via HHSA, has issued its Cold Weather press release, and will continue to provide media, social media, and website updates throughout this event.
- Tuolumne – Having daily conference call with cities, Red Cross, law, and fire to assess situation and determine warming center needs

**Coastal Region –**

Operational Areas are receiving reports from the National Weather Service and they are following their protocols for the cold weather. There have been no requests for state assistance.

Most Operational Areas are utilizing existing facilities and operating in homeless shelters or churches that are routinely open.

**Solano –**

Solano County opened two shelters which will be open for the remainder of the week. Mission Solano in Fairfield and the City of Vallejo worked with the Red Cross to open a facility.

**Southern Region –**

**Imperial –**

Homeless shelters that are already open are extending their hours. Shelters are confirmed ADA compliant. The County is sending out public information messages to prepare your pets and plants for the cold.

## **Riverside –**

Warming Centers opened December 1 at the following locations:

Anza Community Hall

Colorado River Senior Center (Blythe)
